Every Monday at 9:10am

Join your child in a '**Sign a Story session**' and learn more about how we can help your child to develop a love for reading and learn Makaton Signs.

School Fund

We collect school fund in order to buy extras for the children. We ask for **£1 a week** and this can be paid at reception. School fund is used to pay for parties, picnics, story tellers, dance workshops and ingredients for cooking activities.

Attendance and Punctuality

Please arrive at Nursery School on time every day/session. Lateness causes disruption to learning and is upsetting for the Children.

A huge 'welcome' to all of our new families; and welcome back to the families we already know. The children have settled into nursery school and are busy playing, having lots of fun and making new friends.

We believe that education is very much a partnership between home and nursery and you are welcome in the nursery at all times. We look forward to building strong and trusting relationships with you and your child; and sharing the next stage of your child's learning journey.

We are all committed to providing the very best learning experiences for your child. We want every child to feel valued and secure. Every child has their own Keyworker. Please speak to your child's Keyworker if you have any questions or extra information to give us. Your child's Keyworker will keep you informed about your child's progress and how they are settling in.
